Proceedings of the
38th International Symposium on
Symbolic and Algebraic Computation

Manuel Kauers, editor

ISSAC 2013

This volume documents the scientific program of ISSAC 2013. It contains the 47 accepted research papers and the abstracts of the four invited presentations and the tutorials of the 2013 International Symposium on Symbolic and Algebraic Computation. The symposium was held in Boston, USA, June 26–29, 2013, sponsored by ACM SIGSAM. The papers contained in this volume represent original research in all areas of symbolic and algebraic computation.
